March 25 - 26, 2009

## 2009 Mid-Atlantic Nutrition Conference

**December 18, 2008**

To Whom It May Concern:

On behalf of the Mid-Atlantic Feed Industry Council, it is a pleasure to invite your company to support the Mid-Atlantic Nutrition Conference by sponsoring the upcoming Seventh Annual Mid-Atlantic Nutrition Conference. This year's meeting will be held on March 25-26, 2009 at the Crowne Plaza – Baltimore (formerly the Holiday Inn Select-North Baltimore) in Timonium, MD.

We expect to attract nutritionists, buyers, and consultants that are currently working with many of our prominent animal feeding operations. In turn, we want you to have the opportunity to meet with them and hear what they are learning about in the changing world of animal feeding. Your sponsorship allows us to attract quality speakers, ensure acceptable amenities for the group, and publish our proceedings (which lists our sponsors).

The 2009 Scientific program remains at two full days to enhance educational opportunities. Educational presentations will be given both days. Scientific posters from researchers in the Mid-Atlantic area will be on display the second day and vendor tables will be on display both days of the meeting. The poultry, dairy, and equine sessions are coordinated with ample break times to permit the audience to view the posters and vendor tables.

All details concerning our sponsorship packages can be found enclosed in this mailing. Vendor tables are available for \$500 and include one complimentary registration. As a limited number of spaces are available, please reserve your vendor table as soon as possible to take advantage of this opportunity.

As in the past, sponsor representatives attending the program will have special recognition badges and the company name will appear on our sponsor board. Your firm will also be named in our proceedings provided you make the commitment before we go to press. The Mid-Atlantic Feed Industry Council and the University Conference Committee sincerely encourage you to continue to support this prestigious and informative meeting. We are pleased to announce that the technical symposium on March 25<sup>th</sup> is sponsored by Diamond V Technologies. For your convenience, the registration materials are enclosed. Registration materials, venue information, the updated program, past proceedings and the 2009 abstracts are available on our website at <http://manc.umd.edu>.

See you March!

Sincerely yours,

Dr. Clay Zimmerman  
MFIC President

Dr. Nickolas Zimmermann  
Conference Chair
